Limits of Empathy: **The need for a shift in morality**

A quantitative approach

**Moral
shift**

Moral shift

Moral disengagement

Self-regulatory mechanisms governing moral conduct do not come into play unless they are activated

Cognitive restructuring of immoral conduct into benign or worthy

(Bandura, 2002)

Moral judgement

The evaluation of a certain behaviour as good or bad, or as right or wrong

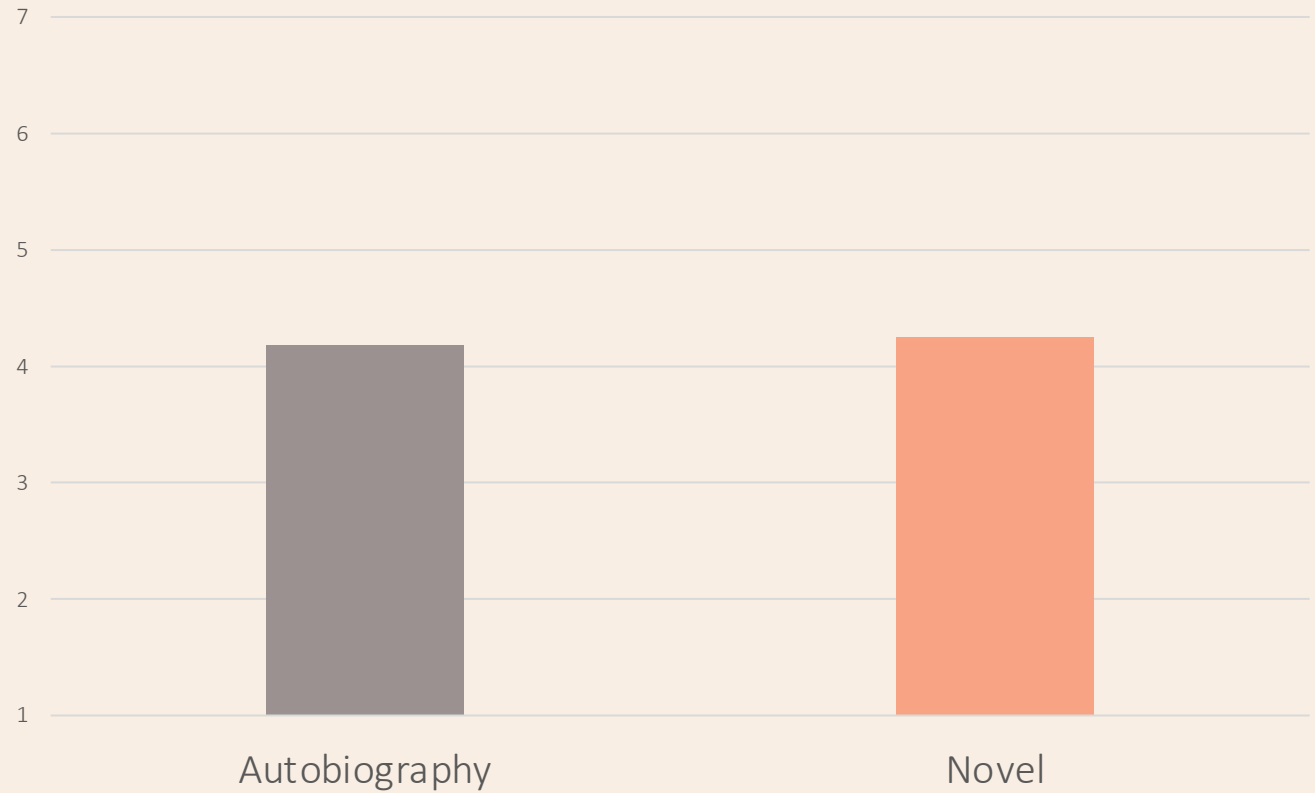

Judgement of a person's morality vs. immorality highly correlates with the judgement of goodness vs. badness

(Jin & Peng, 2021; Goodwin et al., 2014)
